Prussia..... Russia,
two forcefully divided, one soul!

Time, after all these months of pitiless soul death, lies and maliciously spread speculation to return to the all-encompassing truth.

"What is true must also remain true" we learned from our forefathers. But who has true, unadulterated knowledge, who can still be trusted?

The people of the benign folk of this earth believed every passing scoundrel of the past epochs, they felt, after initial grumbling, emotionally involved in the preached deed of their blackmailing deceivers and even felt comfortable with the lies after some time, see GDR. With the reprogramming of their habits, within a certain period of time, a disorder known in psychiatry as "mental dissonance", the ones that are kept stupid even defend their tromentors after a period of getting used to a consciously created and controlled environment of harassment, if they stroke their soul a little every now and then. A second example of this is the bogus state "GERMANY", which has been excellently manipulated in that way. But also the man from Braunau with the stain under his nose finds nowadays numerous Admirers. He created work for the hungry, defended Germans in the eastern territories, where before his intervention, 1938, 13.000 German nationals were murdered through Zions inferior hordes. So Hitler did not, as claimed, invade Poland, but instead **payed a legal visit** to the eastern territories of the Reich. BUT!

After the defeat of the red putschists with the designation WEIMAR REPUBLIC, Hitler must have had to hand over the regained power to the legal right holder, the emperor, but this was not his or rather the plan of the Satanists controlling him. Hitler, agent of the most unholy construct on earth, the Vatican, had the duty to complete several instructions from his masters and financiers at once. The essential aspect of his actions was to divide the fraternal relations between the German Reich and Russia. One folk, arisen from one primordial mother, people of the same soul content, an unacceptable power for the rest of the world and above all for malicious control had to be incited against each other. Thus Russia had to be attacked, otherwise Stalin would have had to make his triumphal procession on behalf of the Vatican a few weeks later against the German Reich, it was said**.** The backgrounds are sufficiently known, especially in my free PDF booklet: "DIE AKTE HITLER" and more extensive reading on this infamous deception.

The second background to Hitler's appointment was the fact that for many centuries our runic power had already been a thorn in eye of the Vatican: Original holy symbolisms, which in benign application carry all the power of perfection within themselves. Hitler's knowledge of the dormant power in the primeval Germanic symbolism made him the best choice for this assignment. Not only he, also Hermann Kinzel, who paid off in the first part

of the war, as well as Anton Schartan (both descendants of the Rothschilds) were available for the Reichsführer, but Hitler prevailed based on his knowledge and the ambition he displayed. Hitler had done his homework. He did not underestimate the enemy - the Germans - and studied their a way of life striving for salvation and, by means of the final programming by Tavistock, it was possible for the unholy, to purify the last breath of Germanness from the soul of the agent of the devil.

Hitler **adopted** one of our most sacred symbols, the swastika, and used it millions of times initially to support the growth of our people after the depression of the famine years. But the malicious plan of the annexation of the symbol of salvation was, as suspected, of devilish origin, since the occupying forces were able to demonize “its symbolism” after successful completion of Hitler's national **socialism** (and the defeat was already planned before the beginning of the second part of this war).

But nothing of the sort was "his"! The truth is, Hitler came from the Rothschild family, "Children of the devil", the through his actions damaged cultural heritage of our pure folk, is all the more alien to him, even more so the life affirmation of our original folk. A difference in this lie the media since 1945 of course has not done, the destruction of all German symbols of power, all healthy Germanness (Deutschthum) from the satanic enemy of life is planned. Hitler served this plan with sufficient love for professionalism.

For centuries the use of our holy runes has been associated with draconian penalties by the Vatican. The life rune "MAN" is forbidden, since it allegedly served Hitler - again one of these deceptions. Turned upside down, as "IR" rune, it is supposed to be the peace symbol, but crazyness and death dwells within her. Gravestones point the way, on which the date of birth is marked with the "MAN" rune, the death but was marked "IR". Herein we find the truth of our destiny, to deal incessantly with our true origins. Millions of Rugans were executed by fire and sword, if they did not renounce the runes, this taking place far before Hitler, 850 years ago already.

Modern preachers of the knowledge of the concerns of the world stage like to give interested participants of their works of thought, special thought guidelines here and there, in which direction they should direct their attention. The founder of these daily specialities called the swastika in the centre of the red Flag of national socialists (1933-45) " a something", whereupon a Dresden influenza-bigmouth (V.S. = Verfassungsschutz?), in his video confusion of "*a symbol of Zion*", denounced the symbol of luck of our folk. A discovery from the Ukraine proves the age of the swastika to be at least **18.000** years, times when Zion did not yet know how to pull earth and world into the abyss of deception. The same mentally ill, presenting himself in his videos brusting with boredom, once called the HSBC bank the Hong Kong-Swiss Bank Corporation?!

By no means do we want to come along with this suggestion to the truth as a crumb-picker, **but what real truth content do information from these "enlighteners" have, if they are characterized by such distorted nonsense?**

Fact 1: HSBC = Hong Kong & Shanghai Banking Corporation.
Fact 2: The Swastika was, after the Vatican was not successful in removing our ancestors, **even under penalty of death**, from our sacred runes, adopted by Hitler. In order to impose

the greatest **L U C K Y C H A R M** of the blessed folk with the horrors of national, red socialism (=Zionism), which is absolutely and in no way true, the symbol had all the more to be associated with unfounded images of horror. Travistock via the media, moving pictures, newsreels with war rattle followed. The swastika, the symbol of salvation called ″ *a something*" by HaJo Müller, **stands like no other symbol for peace, freedom and happiness**. But give power to the stupid and they do stupid things!

Hitler's task was to organize the greatest ARMY of men of a nation. A total of 18 million German men were organized in the WEHRMACHT. Whoever did not join this force was frowned upon - **again by the stupid people of his <u>own</u> folk**! Hitler's goal and task was still, to use propaganda to lead the German men out of the country, leaving our women and, <u>most importantly children,</u> alone and defenseless in the country. Best opportunities for the satanic bombing and subsequent pillaging by the Allies. Before planning this war, the Vatican assumed that the battle between brother and brother (Prussia./.Russia) would be more deadly and bloody than any other, without the Vatican having to lose a single one of his agents in the process. If a nation lack the men = defense, then the nation is doomed. When death has overtaken the offspring, there is no constructive future for a nation.

Fact 3: The highest war reparations were imposed on the Germans, even though the reason for the 1st part of the world war took place outside, i.e. without the intervention of the German Reich. Nevertheless, the Germans paid among other things 50,000 tons of their gold to the allied blackmailers, suffered starvation by the hundreds of thousands and had to endure the disgrace of the entire hateful world. From then on, the German rather considered several times, to bring children into this world, filled with horrors and hatred. Also this way of thinking was already planned in advance from Satanicum in MORDOR!

Highest tax burdens to maintain one in 5 million on the drip of the illusory-state, mostly the useless, moreover, again and again new special services to Zion's blackmailers, renewed war reparations and a rotten lobbyist apparatus, made it easy for the lowest crawling animals around Joshua Fishbein, his party colleague Cem Kozdemir, and of course the best B'NAI B'RITH-agent to manouver the aggro sub-humanrace from the trampled ground of the Chaldeans under the aegis of the "lack of skilled labour" into our homeland. After all, according to the the factual explanation of those German-haters, we lack children in the country, that the Germans are too lazy … not able... hardly enough to give children a secure future. Those good people of our race, who want to provide their children with a healthy, raw vegan diet and with the addition of of ancient knowledge in triune perfection - after all the so called "JUGENDAMT"(german youth welfare services), offshoot of the paedophile network PLANET PARENTHOOD also needs its justification. The once chosen folk is dying! The leadership of this world in love and bliss was once supposed to be our duty.

Last but not least, lets correct the wrong assumption made by an Austrian influencer (virus!), who in one of his video contributions actually depicts the Babylonian king NEBUKADARSUR (Nebuchadnezzar) into the ranks of his own enemies. He, the king, was, according to Tom WhoKnows, after beating the evil ones, the "children of the devil", converted to Judaism himself. Such an infamous lie, even if only presented as a questioning possibility must be put to the acid test before public communication! But those uneducated people listening to him accept this thesis as truth. Of course, the messenger of this lie is not to blame for this, but the ignorant and lazy misinformed person, who sitting in front of the

PC-glitter, who admires his new Internet stars, so they have a few thousand viewers, and gives them fame and glory. **INFORM YOURSELVES, but please not from laymen!**

In truth, NABUKADARSUR was scolded by his clairvoyant high priestess Sajaha after he graciously granted his life to those wicked who repented for their crimes. He, the king, was a wimp, said the Sajaha, **he did not know how much the coming bright kind will suffer for his stupidity.** We see today how right the good woman was with her prophecy (Sayaha 12).

For Tom WhoKnows, what was said was only a guess, as it was always only a part of his work for Alexander Wagandt to bring the light-filled Babylon into unity with child-eating, not knowing **that we, the light people of our folk, are the descendants of Babil**. After all, both Tom WhoKnows and Alexander Wagandt get their information from the bible, the book that was written by the "children of the devil" and transformed from the original version into today's book of lies. Of course, the Hebrews claim from their enemies, that which they themselves did; without question the "children of the devil" call themselves "chosen by God", chosen by their God, the El Jahu, the Yahweh, the Yahoo, who has his seat in Jahusalem.

Therefore, for this very reason, because we have to bring that which began in Babylon to a holy end the Satanicum in ROME has wanted to destroy us since the beginning.

Der Sieg dem Heil.
